

TESTIMONIAL

22nd May 2013

To Whom It May Concern:

I am happy to provide a reference for the STUDIO & GRUPA ANATRES ,
a fair stand construction firm I have worked with for many years .
They had responsibility for designing and constructing our fair stands
many times in last three years .

STUDIO & GRUPA ANTAIRES always provide high quality services and materials.
Being a partner with the STUDIO & GRUPA ANTAIRES we always received
individualized attention .

I would highly recommend STUDIO & GRUPA ANTAIRES as I consider
a model team that provide consistency and meet all expectations.

Yours faithfully ,

Aieš Polcar
